CALIFORNIA INTERSCHOLASTIC FEDERATION-SOUTHERN SECTION

To select this year's

2006-2007 ALL-AAF BOYS TEAM AWARD

Coach,

The CIF Southern Section has asked SCIBCA to assist the office in the selection of this year's 2006-2007 ALL-AAF team award. A special committee will select ten teams, representing each of the CIF divisions. Selection will be based on returned ballots and input from the nominations of players from your team. Although failure to return this ballot will not eliminate a player from your team for consideration, your response and comments will greatly enhance the committee's ability to select a team. Please complete the bottom portion of this ballot. In Section One, please nominate any player(s) from your team whom you believe to be deserving of this honor, as well as their important stats and awards. In Section Two, please name the top 10 players from your division whom you have either competed against or have seen play this year within your division (Division A or AA).
